Safara A. Witmer, A.B., M.A.
PRESIDENT
Bible

The first phase of your lives is now complete—that of being served. From the day of birth until graduation you have been served by others. We who have served you during your Bible Institute days have only helped to consummate the growth and development begun in childhood by mothers and fathers. With graduation you cross the threshold to life's goal of service. From now on your lives are to be poured out for others. And in the words of Him who came to serve us all, "Whosoever will be great among you, shall be your minister." — Pres. S. A. Witmer.

We are more than conquerors through Him that loved us. There is a "more than conqueror" life. It is a **present** tense life for "**we are**" more than conquerors. It is life springing from a **person**. It is through Him, the Lord Jesus Christ. There is a **passion** behind it for it is through Him **that loved us**. That love nailed Him to a cross where He wrought out man's redemption and made possible the life of victory. There is no other way. Let us go on "Conquering through Christ."

Activities

"Christ for Fort Wayne"—a partial view of the audience at one of the services.

At five o'clock each afternoon students leave their studies for a half hour prayer service. The "Five o'clock Prayer Meeting" is a source of real blessing. Many needs have been met, and many students have been called of the Lord to definite fields of service in this daily prayer service.

Pictured here are the first and second semester Five o'clock Prayer Meeting leaders.

MISSION BAND

Every Friday evening at 7:30 the students gather in the chapel for the weekly Students' Mission Band service. This is the climax of a week's activities. The services are primarily missionary and have proved to be instrumental in winning many battles for the Lord.

For several years the Students' Mission Band has supported a missionary, Miss Leona Lehner, who is working with the natives of Ecuador. This year another missionary, Mr. Joseph Shisler, is also being supported. Mr. Shisler is in Africa. We are thankful unto God for the opportunity of supporting these missionaries while they bring the Gospel to those hungry souls in these parts of the world.

The Sunday School addition which was recently dedicated, now provides room and conveniences for various departments of the church. The addition which consists of thirty-three rooms will be used by the Sunday School, the Summer Bible School, the Youth Fellowship Groups, and the Ladies Missionary Circle. The church office and a radio studio is also found in the new building. We solicit the prayerful interest of our many friends as we continue the work of spreading the Gospel message.

... and then comes the night

The Sunshine of this "day" of grace casts a shadow across the sun-dial of this dispensation. The time ? It's much later than many people realize. It must soon be night time . . . when man can work no more. There is so much work to do, yet so little time in which to do it!

We wish to remind each of you -- both student body and faculty members -- that our earnest prayers and best wishes accompany you as preparations are made for the spiritual harvest ahead.
